

Type: Group assignment

Submission Deadline for Part I: January 21, 2020 until 10:50 AM

Part I Description: Project preliminaries presentation

- Form teams of at least 3, at most 4 people.
- Start your teams now and finding some project ideas.
- You may come and discuss your ideas with me.
- Submit your team members and at least 3 project ideas.
- Do not worry about how to code the project. You are not supposed to write codes now but find ideas where coding will be used.
- **IMPORTANT:** Ideas should be dealing with how to design and implement web pages to provide technical solutions for social problems.
- Find an original and interesting team name. Imagine that this will be your future company name.
- One team member will submit the presentation per team.
- The followings are required for the presentation
 - Name it as ***PRAss_TeamName_AllMemberNamesInTheAlphabeticalOrder***
 - If the team name is ***OrhansFamily*** and the team members are ***Mustafa, Emine, Fatih*** and ***Zeynep*** and you prepared the presentation by Microsoft PowerPoint the submission document name will be ***PRAss_OrhansFamily_Emine_Fatih_Mustafa_Zeynep.pptx***
 - Provide a brief description of the project
 - Who will benefit from your project?
